Bē -

I am Mitesh, an aspiring backend developer, currently pursuing backend development courses at TOPS Technology in Maninagar. My technical skillset encompasses several essential components for backend development, including Python, a versatile and widely-used programming language; Django, a powerful web framework for building web applications; HTML and CSS for front-end design and styling; and SQL for managing and querying databases.

Education

- 10th Pass @ St sai public school sheoganj sirohi **75%** 2020
- 12th Pass @ GSSS sumerpur pali **71%** 2022
- BCA @ Jai narayan vyas university , jodhpur , Rajasthan **78%** 2024

Skills

- **Programming Languages**
  Python , Django, HTML , CSS

- **Databases**
  Mysql ,SQlite

- **Web Servers**
  XAMPP server

- **Softwares**
  GIT , Github

- **Systems**
  Windows
